

MICHIGAN GREEN SCHOOL

Application 2021-2022

Applications will be accepted between

January 1st and March 1st, 2022

The document, in hard copy or email, must be sent to your county coordinator. County Coordinators can be located at <http://www.michiangreenschools.us/contact.html>.

A school is eligible to receive a Green School, Emerald School, or Evergreen School Environmental Stewardship Designation if the school or students perform the required number of activities, with a minimum of two activities from each of the four categories. The activity requirements for each level of environmental stewardship designation are as follows:

- a) Green School – 10 total activities with at least two activities from each of the four categories
- b) Emerald School – 15 total activities with at least two activities from each of the four categories
- c) Evergreen School – 20 total activities with at least two activities from each of the four categories

Activities are listed in the table on the page that follows. Different activities are denoted by different letters under each category. In addition to the activities listed in the table, a school may design and propose another activity (listed as “other” in the table), which may qualify toward an environmental designation, alternate activities must be approved by your Michigan Green School County Coordinator by December 1st.
